**JULY 2018 NEWSLETTER**  
[www.ctoforme.org](http://www.ctoforme.org)

**PRESIDENT'S MESSAGE – Carl Gierke**

Hi everyone! I hope your summer is going well and you're staying cool as we head into the depths of summer. I also hope you had a chance to get out and enjoy some of the activities that CTO had to offer in the past few months. If you've been attending events, we hope you've enjoyed them and if you've volunteered at events, many thanks for your help. We couldn't do it without all the wonderful financial and volunteer help we get from so many people and we deeply appreciate it. If you get a chance, please give a big thanks to the event coordinators that put in their time and effort to make these activities happen. The events (and coordinators) we've had just since the last newsletter include the Turkey Hunt (Tom Narmore), Shawano Lake fishing (Pat Nieuwenhuis, Bill Mayville), Chasing Rainbows (Cliff Pheifer), Lake Michigan fishing (Keith Hartjes) and the Menominee Park event in Oshkosh (Tammy Kritz). Thanks to all of them for their great work!

One of our most important events is coming up on July 21<sup>st</sup> – our annual Membership and Awards Banquet. This is a great opportunity to have a little fun and a great meal, meet other folks in CTO, and maybe even swap a tale or two about some of the hunting and fishing you've done lately. It's also an opportunity for us to say thanks to all those who have helped make our events happen over the past year. Maybe most importantly, it's also a chance for you to vote for people you'd like to see elected to CTO's Board of Directors. These are the folks that coordinate events, help with fundraising and financial issues, handle paperwork and in general, shape the future of CTO. If you'd like to be on the Board of Directors, please send me a resume by July 10<sup>th</sup>. We hope you can join us and have a voice in your organization. To throw in a little fun that night, we also give out awards for many of the hunting and fishing categories we have. Hope to see you there.

**SHAWANO LAKE FISHING - Carl Gierke -** CTO hosted its annual fishing event on Shawano Lake on Saturday, June 2<sup>nd</sup> during Wisconsin's free fishing weekend (no license required). A tent was set up the night before in case of inclement weather, but the weather was pretty nice. Thanks to Keith Pennings from Navarino for again donating the use of a tent! About 36 people attended the event and in addition to the CTO pontoon boat, boats were provided by Mike Shulze, Jerry and Pat Rogalski, Randy (Chouse) Hartlaben, Doug Hoppe and Gary VandenHeuvel. We thank them all for their generosity!

Fishing kicked off about 9am and continued to about 11:30 when we took a break for lunch. The food crew (Karen and Bill Baehr, Tammy Kritz, Deb Pheifer and others) did another fantastic job of feeding everyone and we thank them and everyone who brought food. After lunch and a few fish stories (some of which may have even been true), several fishermen and women headed back out for an afternoon of fishing, which concluded about 3:30. Fishing was a little tough, but a few nice fish were caught including a 13-inch perch caught by the old master Bob Lathrop. After everyone returned, fish were cleaned by our expert fish-cleaners for the anglers to take home.

Shawano Lake is always a fun event and everybody that pitched in did a great job! Remember that the CTO pontoon boat is available for use by its members throughout the summer. Give Gary Thyges a call if you're interested in reserving the boat for some fishing or cruising the lake.

**PRIZE REQUEST FOR THE BANQUET- Barb Kaun** If you are interested in donating an item for the bucket raffle at the Banquet, please call Barb Kaun at 920-720-9689. All donations will be much appreciated.

Helping out and watching the smiles on the faces of kids catching fish is a lot of fun- you won't be disappointed.

**CTO PONTOON BOAT** - Challenge the Outdoors is again keeping its pontoon boat on Shawano Lake at the park docks in Cecil (southeast corner of the lake). The boat is available to any CTO member to use through mid-September. All you need to do is call Gary Thyges (715-584-7700) to reserve the boat for a half or full day. You'll need to bring your own fishing equipment. If you've never used the pontoon boat, you'll need to take a short orientation course from Gary.

**CHASING RAINBOWS – Cliff Pheifer** On Saturday, Aug 25, Chasing Rainbows will be held at Wilderness Springs Trout Farm, which can be reached by going west of New London on HWY 54 and then turn right on Madden Rd. **WISCONSIN TIMBER RATTLERS BASEBALL GAME - AUGUST 18<sup>TH</sup>** On Saturday, August 18<sup>th</sup> we will meet outside of Fox Cities Stadium, 2400 N. Casaloma Dr. in Appleton by 11 AM for our annual Timber Rattlers game. This event is open to all members and tickets and lunch are courtesy of CTO, however the \$5 parking fee is your responsibility. Guests are welcome, but will be responsible for buying their own tickets. This year we will be sitting on the west side of the field, which is a switch from the past few years. Admission includes your game ticket and an all-you-can-eat lunch, along with two beverages. Lunch will be served at 11:30 and will last until game time at 1:00. Please reserve your tickets ASAP, but no later than August 1<sup>st</sup> by contacting Carl Gierke (920-986-3272 or cgierke1@outlook.com).

**CTO END OF SUMMER OUTING AT OUTAGAMIE CONSERVATION CLUB, SEPT.15** The event is scheduled for Saturday, September 15th and will start at 10 AM. No end time is set because the very accommodating folks at OCC are willing to be flexible with us. We will have trap shooting with CTO picking up the cost of a round or two for those taking part. If you do not have a shotgun, OCC has a few that will be available to borrow. You are welcome to bring your own shells, or you can purchase 12 or 20 gauge shells there for \$7 a box. CTO will pick up the cost of one box of shells purchased at OCC for use at the outing, and/ or we may have our own shells to give out. We hope some of our members who have wanted to try trap shooting take advantage of this great opportunity, as there will be plenty of time and instruction if needed. If you would like to show-off some of your adaptive shooting equipment and /or give instructions to a new shooter, that would be awesome.

The pistol range will also be available. You are responsible for bringing your own pistol and ammunition. Targets will be supplied, but you may bring your own if you wish. Archery shooting will be available and OCC has a crossbow or two to loan out and we will have at least one of our crossbows available as well. There will be fishing at the stocked pond that will be catch and release only, unless the fish is deep hooked and won't survive. Bring your favorite rod and tackle. We will provide live bait and you may bring your own as well. We hope to have a fly-fisher or two to demonstrate fly fishing for anyone interested in learning a new skill. The pond is stocked with trout, pan fish and largemouth bass. The terrain is very flat around the pond and the entire OCC grounds, so getting around will be fairly easy, but you may want to bring a power scooter as the activities are spread out.

As for food, CTO will be providing the main meat dish and all those attending are asked to please bring a dish to pass. There is a clubhouse for serving the meal in and an open bar to purchase beverages. CTO will be providing water only. We will also have some cards available for anyone interested. OCC is a great place to enjoy many different activities and it gives our members a chance to learn a new skill or two. You can check out their website to see what's going on here: <http://www.wiocc.com>

**MENOMINEE PARK & ZOO FAMILY EVENT- Tammy Kritz** The family fishing and pot luck event was held on Saturday, June 16 in Oshkosh. Twenty-seven people enjoyed the beautiful shores of Lake Winnebago. Two boats were provided with volunteer captains and many people went through the free 8-acre zoo which houses about 50 animals. We had a fabulous Pot-Luck buffet so no one left the day hungry. Thank you to all the volunteers who made this event possible!

**TURKEY HUNT RECAP-Tommy Narmore** On May 18<sup>th</sup>-20<sup>th</sup>, CTO partnered with the Clintonville Chapter of Shadows on the Wolf to mentor our disabled turkey hunters. Our mentors set hunters in good areas and called to lure the turkeys in, with the hope of getting a chance to shoot a tom turkey. They even cleaned the turkeys so they were ready to take home. This year's hunters included Keith Pamperin, Laurie Dubord, Randy and Darwin Swille, Stephen Blount Sr., Tom Narmore, Hurtis Geohagon, Clayton Gofford, John Kempen, and Keith Hartjes. This year's hunt was off to a great start with 5 Tom Turkeys being shot on Friday afternoon and evening. On Saturday morning, Darwin Swille was lucky enough to get a turkey, a Jake. Surprisingly, everyone who hunted saw a lot of hens this year. The toms were not as active as previous years. Weather wise we had just a little bit of everything - hot, a little chilly in the morning, windy, and even a little sprinkle of rain. Friday night after the hunt we were served a nice chicken dinner. Saturday afternoon we got to sit down with our members and have a nice lunch/dinner of scalloped potatoes and ham, put on by our great food committee and volunteers. I would like to speak on behalf of all participants of this year's hunt and thank Shadows on the Wolf for putting on a great hunt for us. It's always a great time. We also would like to thank all of the volunteers and the food committee for making sure we all had plenty to eat for the weekend. Next year's turkey hunt will be May 17<sup>th</sup>-19<sup>th</sup>, 2019. Sign up will begin March 1, 2019. Stay tuned for further details.

## **CHASING RAINBOWS TROUT FISHING, JUNE 9<sup>th</sup> 2018- Cliff & Deb Pheiffer**

This was the best weather ever for Chasing Rainbows June trout fishing. There were 38 people fishing and 6 volunteers. Kathy Foster and her helper, River, cleaned 102 pounds of trout, with fish coming in so fast it was a race to get all the fish cleaned and packed on ice. Kathy then had to match all the fish cleaned to the person who caught them, great job! There were 74 fish caught with the longest fish being 18 inches, which was caught by Shannon Nighbor. The 2<sup>nd</sup> biggest fish was caught was by Troy Schultz at 17 ½ inches.

The picnic lunch was very tasty as always and a big thank you to Tammy McFaul Kritz for the most beautiful and delicious chocolate cake ever- it earned its name, Death by Chocolate! Big thanks to Karen Baehr for coordinating the picnic lunch, no one ever goes away hungry! Also, a big thank you to Mike and Kathy Foster, (Wilderness Springs) for donating the cleaning and packaging of the fish, as well as the cooking committee and everyone who brought dishes to pass. Special thanks to Collin Kempen and Angela Rhodes for pitching in. A good time was had by all!

**GREEN BAY BLIZZARD GAME -Steve Harvey and Sharon LeFevre**

After the first game was cancelled due to the snowstorm of the century, we were able to reschedule another game. Members had a good game to watch as the Blizzard won 47 to 25. Fun was had by all and everyone enjoyed great food. We would like to thank CTO for supporting this great event and we hope to do it again next year.
