Challenge The Outdoors, Inc.

**A NOT-FOR-PROFIT ORGANIZATION DEDICATED TO SERVING THE RECREATIONAL
NEEDS AND DESIRES OF THE PHYSICALLY CHALLENGED SPORTSPERSON**

PRESIDENT'S MESSAGE

Spring is here and CTO has had another successful Sporting Clays event. **THANK YOU TO ALL THE SHOOTERS, DONATORS, VOLUNTEERS AND MEMBERS THAT MADE THIS HAPPEN!**

I believe each not for profit needs at least 2 major resources in order to continue programs which meet the needs of people being served by the organization. One of these resources is financial support. Thank you to anyone who contributes time, skills and finances to us. Thanks also to the dedicated Directors and Committee members who organize quality recreational experiences for physically-challenged people in a cost-effective manner.

Good leadership at the Board and Committee levels is the second resource needed to sustain an organization. The authors of *Doing Good Better* suggest this leadership requires an individual to be compatible with the mission, make balanced decisions, understand what is just and right, function as a team player and is a doer more than a follower.

If you or another individual you know has these qualities, please submit a nomination for the upcoming Director elections. Enjoy Spring in Wisconsin! Larry Laehn, President

2009 SHAWANO LAKE FISHERY
SATURDAY JUNE 6, 2009
BY: Larry Zander

Many— Many residents and fishermen know we are on Shawano Lake this one time each year. We make quite a presence at the park and boat landing in Cecil. And—being there is what it's all about. Outdoorsy folks of all stripe—sharing what we really want most. Camaraderie and good will. In the past, we've had windy days, sunshine days, some rainy days, warm and cool days. But we've never had a bad day. Let us rejoice and be glad. Sure we want to catch fish and we do. But I often feel the food that is served with deliberate care is as important as the fishing. Folks sitting around telling stories, mostly about fishing and the big one that got away is always a joy to hear. (By the way—It's O.K. to tell lies on this day as long as it's about fishing.)

Check page 8 for the schedule of the day and on page 11 is a Registration form that needs to be completed and returned by May 28th so we can be sure of enough pontoon boats for all to fish. **DIRECTIONS:** Drive to Cecil and we are on the park and boat landing on the east shore of the lake. Try your best to be there before 8:00 A.M. Have a sweet roll or donut and coffee. Call Larry at (920) 5255637 with questions. Bait will be furnished.

Green Bay Blizzard Game

When: Friday, May 29

Who: Green Bay Blizzard vs. Quad City Steamwheelers

Time: Game starts at 7:30 p.m.

Where: Resch Center
Green Bay, WI

If you want to watch some high scoring arena football, this game is for you! We were informed of 18 free tickets in the wheelchair section that will be given to Challenge The Outdoors members. **The tickets will be given out in the order that members contact me. The deadline to reserve your ticket(s) is May 10, so reserve your ticket(s) ASAP or you may miss out on a great game! To reserve a ticket(s) contact Peter Lathrop at: (920) 982-4288.** If more than 18 members apply for tickets, CTO will try to purchase additional tickets for members. Non-members will have to purchase their own tickets.

SHOOT 'TIL YOU DROP June 13, 2009 8:00 A. M. J&H GAME FARM—NAVARINO By; Larry Zander

Last year was the first time we tried this. Yep! It was a Blast! Anyone who shoots is welcome. We'll be doing the sporting clay course, skeet, five stand or wobbly crazy quail. Your choice of one or all if you can handle it. Course fees and shells are provided at no cost to **members with disabilities**. Food is also included on this day for all.

It would be of great help if those of you who have 4 wheelers or golf carts would bring them We have trailers to work with them. We can provide guns should you not own one of your own. We will be buying 20 gauge and 12 gauge shells only. If you want to shoot a 410 GA or 28 GA—you'll need to buy your own shells.

This is (as always) a rain or shine event. Questions—Larry at (920) 525-5637

BE THERE! HAVE A BLAST!

SPECIAL DEER HUNT By: Rod Barkhaus, Director

The Special Deer Hunt for the disabled is still a few months away, (October 3 thru 11, 2009), but we are already working on several things that have to happen before the hunt. We have been very fortunate in past years for the lands that have been opened up for our hunters to use. CTO is always looking for more good hunting land on which to place our hunters. The land should be in about a 20-25 mile radius of the Lessor Town Hall—our hunting headquarters. If you have any land you would care to “donate” for 10 days in October, please contact Toby Malchow (920) 434-1663 or Rod Barkhaus (715) 758-8217 before May 25, 2009. There is a deadline of June 1, 2009 to get the hunting lands signed up with the state. Thank You.

Timber Rattlers Baseball Game

When: Saturday, August 1

Time: Meet outside the stadium at 4:45 p.m.

Where: Fox Cities Stadium

2400 N. Casaloma, Appleton, WI

The Rattlers have made some exciting changes in the off-season. The biggest change is that they are now the Class 'A' Affiliate of the Milwaukee Brewers. That means these young players have a good chance to be a future Brewer. Also a large high definition screen has been added in the outfield for fans to watch such things as replays.

We will be eating in the 1st base picnic pavilion. Admission includes game ticket and an all-you-can-eat buffet (brats, hamburgers, cookies, etc.) along with two beverages. The buffet will be served at 5 p.m. and will last until game time at 6:30 p.m. The Rattlers staff has scheduled this date to be a fireworks night.

CTO will buy the tickets for it's members, but the \$3 parking fee is your responsibility. This event is open and free to all members. Guests are welcome, but will be responsible for buying their own tickets. Tickets cost \$17.75 for adults/\$13.75 for children 10 & under. **The deadline to reserve your ticket(s) is July 14!**

To reserve a ticket(s) contact Peter Lathrop at: (920) 982-4288 or e-mail pistol@athenet.net

2009 Board of Director Elections

Since 1998, CTO Incorporated has seen tremendous growth in membership and activities. To remain a vibrant and member-driven organization, CTO needs you to consider serving on the Board of Directors.

The Election Committee seeks nominations to fill 5 Director positions. A CTO Director is a current (or willing to become a) member of the organization. Directors must attend monthly Board meetings and carry out assigned committee responsibilities. Directors understand the need to balance recreational desires of people with physical disabilities with the realities of managing a non-profit organization. MOST IMPORTANT, CTO Directors are people with a positive attitude, are objective decision-makers and enjoy helping others succeed in CTO activities.

To nominate yourself, contact Karen Baehr at 920-766-9218. All nominees must provide a brief summary of their background to Karen prior to July 3, 2009. 2009 Board elections take place at the Annual Meeting Banquet held at the River Rail in Shiocton, Wisconsin.

An Evening Cheering For The Gamblers

By: Peter Lathrop

On Sunday, February 22, over 50 people including members and guests attended a Gamblers Hockey Game at the Resch Center in Green Bay. For many of the members this was their first hockey game ever watched from the stands, and this sure was a great game to see in person and not on television.

The Gamblers were losing 2 to 3 going into the third period. But, then the Gamblers hit their stride and scored three goals. The Buccaneers pulled their goalie to try to even up the game, but that did not work and the Gamblers scored an empty net goal. Wow! The group and the crowd went wild. The final score was 5 for the Gamblers and 3 for the Buccaneers. Other exciting things that happened during the game was a fight between a Gambler and a Buccaneer and the referees replayed a non-goal and then called it a goal in favor of the Gamblers. I would like to thank Judy Paluch and Toby Malchow for doing most of the work for this event!

Boating & Fishing Season is Almost Here!!

By: Mark Baehr

For the 2009 boating season CTO is again renting a slip on Shawano Lake in Cecil. Our slip rental runs May through September so there will be plenty of time for getting out on the lake for fishing and/or sight-seeing opportunities. We are also planning on moving the pontoon around to a few different bodies of water this year, possibly including; the Bay of Green Bay, Wolf River & Lake Winnebago. We are working on the details and will have definite plans in place by the time the July newsletter rolls out. We truly think this will provide some great new opportunities for members to get out and enjoy fishing new bodies of water. If you live near one of these bodies of water or another and would be willing to have CTO park our pontoon on your property please give John or Mark a call. We have also made a few improvements to the boat itself. **CTO will again be picking up the cost of gas for our members who use the boat as long as at least 1 physically challenged member is included in the party on board and within reasonable usage. Now that's an incentive to get some of our physically challenged people out fishing this year!! To provide these opportunities we will need your help.** While a few volunteers have stepped forward to be captains and first mates we can still use more. If you enjoy boating and or fishing this opportunity may be just what you've been looking for. By volunteering your time you will be providing a much needed service to our physically challenged members wanting to get out for a morning or afternoon fishing/sightseeing trip and get to make some new friends and catch some fish along the way. CTO member John Kempen has volunteered to give hands on instructions on how to operate our pontoon boat and will make time for those wanting and needing to learn how. John will teach operational skills and basic maintenance of our boat so all our volunteer captains and first mates will be knowledgeable and confident in operating our boat safely. **We are requiring that all members wanting to captain our boat have prior boating skills and knowledge of how to operate it properly.** A boating operational checklist has been developed and should help keep potential problems to a minimum. John would like to split reservation duties with another CTO member. He is willing to take the months of May, June & July. That leaves the months of August & September. To reserve the pontoon boat or to volunteer your services please contact **John Kempen at: (920) 788-9311 or try his cell at: (920) 851-8636 or Mark Baehr at: (920) 766-9218.** CTO and the Challenged Sportspeople we serve are looking forward to another great boating season and we hope you can and will take an active roll in making it an even greater success. **Tight lines to All!**

2009 SPORTING CLAY BENEFIT

By: Larry Zander, Director

We've done it again!! We've been told that this years event like last years is the biggest single day of participants in the whole of the United States. (Sporting Clay events, that is—including Regional, State and National) Each one of us can be proud of the other for a job well done. Comments, by shooters with a lot of experience, were made of how well organized this event was. A total of 443 shooters (one less than last year) with 525 rounds of 50 clay targets were shot. That comes to 26,250 shots fired. What a lot of noise!!

Karen Baehr (our food guru) and her fabulous staff of cooks and servers kept the hungry more than just satisfied. Then there is shooter registration, score keepers, ticket sales, prize handlers, parking attendants, shuttle drivers, course directors, etc. That's just CTO.

Now here's another biggie! The J&H team runs like a well oiled machine. Jim and Joanne Johnson, Steve and Diane Redmann and their workers are to be commended for helping CTO in activities other than just this big one. Our sincerest "Thank You"—J&H

Field Grants Program Guidelines Challenge the Outdoors, Inc

At the September, 2007 BOD meeting, revisions were discussed and approved for the CTO Field Grant Program. The program is designed to aid physically challenged members of Challenge the Outdoors, Inc to experience once-in-a-lifetime outdoor recreational events that they can not otherwise afford to attend. To be eligible to apply and receive funding under the Field Grant Program, an individual must be a disabled member of Challenge the Outdoors, Inc for at least one calendar year.

These grants (a maximum of \$200.00) are not available to non-disabled members of CTO.

A Field Grant will not be awarded to an individual for participation in another organization's event if CTO already conducts a similar event. The Field Grant Committee and Board of Directors can consider an exception under special circumstances. Persons that have received funds under the CTO Field Grant Program are not be eligible for another Field Grant to participate in the same type of event in the future. For example: A disabled member of Challenge the Outdoors is awarded a Field Grant to hunt Pronghorn in Wyoming. This member may not apply for another Field Grant to hunt pronghorn in the future.

Please contact Director Larry Laehn at 920-757-6099 or at btiwi@netzero.com with questions.

Cost Sharing Program for Adaptive Equipment Catching on

We know adaptive equipment can be a bit pricey so our hope, by creating this cost sharing program in December of 2004, was to help our physically challenged members offset that cost and encourage them to purchase their own equipment. Thus creating more independence for them. So far CTO has helped several members purchase adaptive hunting equipment including crossbows and hand cranks, and an adapted gunstock. We are still waiting for the 1st adaptive fishing equipment request. For those unfamiliar with our cost sharing program here's how it works. **CTO will help our physically challenged members purchase adaptive hunting or fishing equipment by picking up to ½, but not to exceed \$100.00, for the cost of the piece(s) of equipment 1 time per year.** For example say Jane purchases a crank for her crossbow and it cost \$150.00. CTO would reimburse Jane \$75.00. To receive reimbursement for a piece of adaptive equipment you have purchased or to see if a piece of equipment you're considering purchasing qualifies contact Jean or Harland Chapman. (920) 525-1123. ***Note, keep your receipt and get a duplicate copy of the original because we will need a copy for our records. And if you return the item please reimburse CTO.** If you are looking for sources of adaptive equipment there are hundreds to choose from so shop around and check our website out for links to sellers and suppliers and as always please show patronage to the many businesses that have been so good to us over the years by giving them your and our business. For a list of these businesses contact Larry Zander. **Thank you.**

There is an opportunity for members to go carp shooting on Lake Michigan. There is a group of people willing to take a couple of members at a time throughout the summer out on the lake to possibly have the experience of a lifetime. The shooting, or hunting, is done with bow and arrows during dusk and night hours. Crossbows are not allowed per state regulations. You do need a fishing license to go. Bow and arrows will be provided. For more information, contact Steve Lang at: steve71099@yahoo.com or call 920-398-1076.
