

# CTO is Going Ice Fishing

SATURDAY, MARCH 10, 2012 10:00 am to 3:00 pm

After several years of no effort, Challenge The Outdoors will be attempting to pull off a day of ice fishing later this winter. We say “**Attempt**”, because it will be dependent on safe ice conditions and decent weather. So, even though we have picked a day, you need to watch our information distribution systems for the latest up to date information on the event.

We will be holding this event on a nice little 5 acre pond chuck full of fish on the Bob Singler property north of Shiocton. There will be a limited amount of ice fishing gear available, so feel free to bring your own if you have it. (Jig rods and tip ups). Bait will be provided.

We will be allowed to keep all the bluegills caught, but any other species will need to be released back into the water. But, before releasing them, we will measure them as the longest of each species will get a \$25 gift certificate from Gander Mountain. (All award rules apply including that a disabled member can only win once.) Other species in the pond are trout, crappie, perch, walleye, large-mouth bass and small-mouth bass.

For this event, which is on a licensed game farm, no fishing license is required. Please bring a dish to pass that we don't have to heat up and your own beverages.

To get to the Singler Game Farm, turn north on Highway 187 on the east side of Shiocton off Highway 54. Go about 2.2 miles north on 187 and then turn east on County Trunk “P” and go one mile, then turn north on Kliner Road and go about one mile. The game farm is on the right and is surrounded by a fence and gate. A gate attendant will let you in while insuring that none of the 70 plus deer running around gets out.

If you have any questions or would like to volunteer, please contact Cliff Pheifer at (715) 256 1401 or e-mail at: [deb57ncliff55@gmail.com](mailto:deb57ncliff55@gmail.com) **And, boy, do we need volunteers!**
